

PUBLIC LECTURE

The Inner Mysteries of Five Element Acupuncture

Learn about the relationship between the human body, the psyche, and the world around us through our shared experience of the Five Elements of Nature.

Since ancient times, classical physicians knew how the inexorable great dance of the Five Elements and Five Seasons reflects our own energetic balance and influences the health of the human body, mind and spirit. This relationship forms the basis of the art of Five Element Acupuncture.

LECTURER: Ian Barbara Florian, M.Ac.(US),M.Ac.(UK),L.Ac.(NC)
